**MEMORANDUM FOR: Deputy Director of Personnel**

**SUBJECT :**

STATINTL

Attached is information for use in the annual report to be sent to the Executive Director. In the interest of time, I am sending the material to you as submitted to me. Clearly, there is more here than you will need but at least you have something from which to select. Note also that I have attached two statistical reports prepared by Ron quite independently. You may find in these statistics some additional item to be submitted in the annual report.
